Senator Keyes, please.

PRESIDENT: We don't have the motion, yet, but would you want to delay until we get such a motion.

SENATOR MARSH: I do not want to go through with unanimous consent. I am objecting under those circumstances.

PRESIDENT: Oh, no, it has to be voted on. It has to be a suspension of the Rules. Okay, then you are not going to present a motion, Senator Keyes. You are not going to present a motion. All right.

CLERK: Mr. President, Senator Goodrich asked to be excused until he arrives. Mr. President, LB 204, Senator DeCamp's bill, the bill has been around several times. It was advanced to E & R for engrossing. It was then returned on a motion by Senator DeCamp to Select File for specific amendment. The specific amendment was adopted. The bill is now pending with nothing more than a motion to advance.

SENATOR DeCAMP: Are we talking about LB 204? Don't you remember I asked unanimous consent in one of those quiet moments to indefinitely bracket it, yesterday. Just kind of leave it bracketed, then, for awhile.

PRESIDENT: All right. You asked unanimous consent.

SENATOR DeCAMP: I ask unanimous consent to bracket it until...

PRESIDENT: March 31.

SENATOR DeCAMP: Oh, no, February 6th. Is that a Saturday or Sunday or anything?

PRESIDENT: It is All Souls Day, I think.

SENATOR DeCAMP: It certainly would be appropriate.

PRESIDENT: February 6th, is there an objection? It is so ordered. LB 275, Mr. Clerk.

CLERK: Mr. President, there are a series of amendments on LB 275 that have been printed in the Journal on page 149. Senator Clark now asks unanimous consent to withdraw those.

PRESIDENT: Is there an objection to Senator Clark's request? Seeing none, it is so ordered. We have already granted it, Senator Clark. Do you want to be heard? You might lose it.

SENATOR CLARK: I don't want it on that one but what I would like to have is permission to print additional amendments in the Journal and then bracket the bill until those are printed. Or we bracket the bill until those are printed. These are amendments that have been agreed upon by myself, our staff and Senator Luedtke's staff, and if Senator Luedtke would like to speak to this, fine, but these are amendments that have been agreed upon. They are much shorter amendments but they are spelling out the procedures on grievances at the Penitentiary.
